

KATASANI VENKATA PANDU RANGA REDDY

katasanipandu@gmail.com | (+91)9573860088 | [LinkedIn](#)

OBJECTIVE:

Motivated Computer Science Engineering student specializing in Data Science, with strong skills in software development, GenAI, and problem-solving. Seeking opportunities to apply technical expertise and contribute to innovative solutions.

EDUCATION:

CMR Engineering College: Computer Science Engineering – Data Science | CGPA: 9.34 | 2026

Narayana Junior College: XII (TSBIE) | 97.1% | 2022

Sri Sai Saraswathi Vidyaniketan School: X (TSBSE) | CGPA: 10 | 2020

SKILLS:

Programming: Python, C++, JavaScript, Java

Web: HTML, CSS, Flask, React, Spring Boot

Databases: MySQL

Tools & Core CS: Git, GitHub, Data Structures & Algorithms, OOPS, DBMS

AI/ML: LangChain, LangGraph, Prompt Engineering, Machine Learning (Basics), RAG Model

Soft Skills: Adaptability, Teamwork, Communication, Leadership

PROJECTS:

- **Walmart Sales Data Analysis | MySQL**
Analyzed 1,000+ Walmart transactions to identify sales trends, top-performing products, and customer behavior, using advanced SQL queries, feature engineering, and EDA to generate actionable business insights.
- **Automated Recruitment System | LangGraph, Python**
Designed and implemented a modular recruitment workflow system with clearly defined stages for experience categorization, skill assessment, and hiring decisions. Enabled automated routing of candidates to HR interviews, recruiter review, or rejection, improving process efficiency and ensuring scalable, rule-based hiring operations.
- **AI-Powered MediBot – Health Assistant | Flask, LangChain, FAISS, Groq Llama-4, SQLite**
Developed an intelligent healthcare chatbot using RAG architecture to provide context-aware medical guidance and symptom-based assistance. Implemented semantic search with HuggingFace embeddings and FAISS, along with secure authentication and personalized chat management.

ACHIEVEMENTS:

- Secured **3rd Position** for Outstanding Academic Performance in 2022-23
- Organized college tech fest attended by **300+ students**, managing logistics and coordination
- Earned a Gold Badge in Problem Solving on Hacker Rank.
- Completed a DSA course from Smart Interviews and earned the Diamond Badge, ranking in the top 50 out of **400+ participants** in the final contest, demonstrating strong algorithmic and problem-solving skills.

CERTIFICATIONS:

- **AI For India 2.0 (2023):** Participated in a national AI initiative impacting **1M+** learners across India
